SET UP

Materials – Not Included

2 Bibles – One given to students at the beginning and one hidden.
Trash can
Small mirror or mirror found in a classroom
Pencil sharpener
Apple or picture of an apple
Stapler
Sink (a place of water)
Dictionary (optional)
Treasure chest (optional)
4 digit lock (optional)
Tape

Quick Tip

Place a dictionary flipped to the term “Exodus”. Put a sticky note there or highlight it to get the students’ attention. Place a bookmark on this page just in case the students flip through the dictionary. This can help figure out Clue 3.

I will try to make this as painless as possible. Cut out everything on the dotted lines. Some of the items can be printed onto colored cardstock paper. There are black and white versions of everything. Laminate if you want to save for future uses.

1. The letter from Peter, the Hint, a mirror, a Bible, Clue 2, and Clue 3 are given to the students without directions.
2. Put Clue 1 under a trashcan. Hide 1 Beatitude strip with it. Keep the strip with the #9 on it for the last hiding spot in step 12.
3. Put 1 Beatitude strip and the cipher key (A=U) under an apple or hidden behind a representation of an apple
4. Hide Clue 4 and 1 Beatitude strip under a pencil sharpener.
5. Hide 1 Beatitude strip and the 10 Commandments (in a plastic bag) by a source of water (sink). Can even be hidden in the water if wanted! Just laminate the Commandments before placing in the water.
6. Hide Clue 5 in plain sight.
7. Hide Clue 7 (the puzzle) and 1 Beatitude strip in Psalm 23:1. This is a different Bible than the one already given. This Bible should be hidden so it is not in plain sight, but not too hard to find. When students get to this step you may need to tell them to find another Bible in the classroom.

FREE GIFT

I've included my Beatitude Swag Tags as a free gift! You can print, laminate, hole punch, and put these onto a necklace to give to your students. These can be used as a prize for your students instead of buying candy or small trinkets. I hope you enjoy these!

8. Hang the Confession poster somewhere inconspicuous in the classroom. You can also use anything in your classroom related to Reconciliation/Confession that your students will recognize. Hide 1 Beatitude strip and Clue 6 behind the poster.
9. Hide Clue 10 under a stapler.
10. Hide Clue 8 and 1 Beatitude strip under the first desk in the classroom.
11. Hide the Beatitude strip with the #9 behind the heart or anything in your classroom representing a heart.
12. Students should now have all of the Beatitude strips. Give them the ending strip. The students are now instructed to put the Beatitudes in order to get the final code. They will tell you the final code to see if they are correct. The final code is 8920. This can be shown on a smartboard or inside a file folder with the swag tags.
13. Hide the two circle ciphers in plain sight.
14. Hide the alphabet cipher in plain sight.
15. Can use a treasure chest and 4-digit lock for something the students can open up. Not needed for this escape room.

Pictures of the set up are on the next page!

PICTURE STEPS- Correlates to Written Steps

PICTURE STEPS

I put the alphabet cipher on the window.

Use a countdown timer so your students always know how much time they have left.

TIPS

Tip

Before starting the game: Tell students that the best strategy is to go through the clues one by one, than gathering everything up at once. This may overwhelm the students. Tell the students that if they see something out of the ordinary keep it at the back of their minds for later. Going clue by clue is the best way to play this escape room.

Tip

Some of the backgrounds on the clues give hints. Example: Look at Clue 4 on the answer key. The background is water droplets. This clue leads them to the sink. This can be given as hints if the students are having a hard time figuring out the clues.

Starting The Escape Room!

You made it! You finished setting up and have doubled checked with the picture steps. Great job! Your students will appreciate your hard work. Now let's play!

1. Explain to your students that we are back in the time when Jesus was alive. Exactly 45 minutes before Jesus will tell his sermon on the mount! You may read Peter's note to them so everyone understands the goal (find the Beatitudes and put them in the right order to get the code) of the escape room. Say, "Students we are in the year that Jesus was alive on Earth. He has been going around performing miracles. Today in about 45 minutes he is gathering on top of a mount to tell a sermon. Yet, something seems wrong. Peter, one of Jesus's disciples, left a note for you all to read."
2. Hand students the letter from Peter, the Hint, a mirror, a Bible, Clue 2, and Clue 3. Say nothing and let them work together to solve everything.
3. Start the clock for 45 minutes!
4. Take pictures to upload to the classroom Facebook page or email to the parents.
5. The winning code can be tapped inside a file folder and revealed if they are correct. Whatever you think is best.

Hello Disciples,

My name is Peter. I am an a disciple of Jesus. I know Jesus loves me very much, but after what I have lost he very might not trust me again. I have lost the Beatitudes that he had told me to take care of. I've spent hours searching for them. I have made some progress as to their whereabouts but ran out of time. I have left clues as to where I think that the missing Beatitudes are. By the time you get this note there is only 45 minutes left before Jesus tells his sermon. I'm leaving the task up to you. If you don't find the Beatitudes in time Jesus will not be able to deliver his sermon. There are people who do not want to follow Jesus. They are trying to sabotage the sermon. I had to hide the clues around the classroom so they wouldn't be able to destroy the Beatitudes. I cannot help as I have other work to do. The future is in your hands. Good Luck.

Peter

HINT

I almost forgot. Here is a hint to help you out. I hid the first clue underneath a trash can. I didn't think the Romans would like to get dirty so that's why I hid it there.

Print and laminate if you will be using for other classes or years to come.

There is a black and white set towards the end.
