LIVING THE LITURGY

John the Baptist had been told that he would see the Lamb of God, who takes away the sins of the world. He listened, he believed, and he kept his eyes open. He was ready when God revealed the truth.
Let's ask ourselves: are our eyes open? Are we ready?

Reflections from Harvest of Hope

"Behold the Lamb of God, Who Takes Away the Sin of the World."

Mary Sowada, Principal at Holy Family School

Today's gospel brings us out of the Christmas season and into ordinary time. John the Baptist tells us how Jesus is the one who comes after him yet ranks before him. John's role was to bear witness through baptizing Jesus with water that Jesus was the Messiah and to proclaim to all of Israel that the Holy Spirit descended upon Jesus and remained with him.

In the first part of the Gospel, John calls Jesus "The Lamb of God," the one who takes away the sin of the world. In his death, Jesus was the sacrificial lamb that atoned for our sins. Believing that Jesus is our Savior really means that we fully understand and trust that Jesus' death on the cross was for us to have our sins forgiven and to be able to live an abundant and fruitful life. In thanksgiving for his sacrifice, we are to repent for our sins and live our life wholeheartedly in the presence of God and to not only accept the gifts that he has given us, but to use them in the manner in which God intended. It can be difficult and overwhelming for us to grasp that Jesus sacrificed his life for every single one of our sins - how amazing is that?

In the second part of the Gospel, John states his belief that physically Jesus came after him, yet spiritually came before him was a testament to John's own strong belief in what the Holy Spirit brought to his life. He was filled with the Gifts of the Holy Spirit which gave him the ability to live in the Grace of God throughout his life. Through our own baptism, we are invited to be open to the Gifts of the Holy Spirit so as to gain a knowledge and understanding of life that is beyond what we as humans can acquire by our own effort. God gives us signs and revelations, as he did with John the Baptist, through reading the bible and understanding the meaning of His words, yet we can as well ask God to reveal himself in our daily lives.

As we understand the meaning of John's words "Behold the Lamb of God, who takes away the sin of the world," and apply it to our daily lives, we too can live a fruitful and abundant life. John's spiritual life and profound belief that Jesus is our Lord Savior shows all of us the beauty in trusting in what God has given us through the Holy Spirit.

Quilters' Note

A huge THANK YOU to all who have donated a quilt top or cash to put towards material to make the tops and also for all the people who have took the time to help hand sew and bind the quilts for the 2023 festival. We know it gets a little tight space sometimes with quilting but you all help make it work for getting the job done. We are half way done with quilting and still have quilts coming in to finish. So it's going to be another good show for our festival. We like to be done by the end of March so don't give up yet we still need your help. We are also collecting tops to keep going for finishing 2023 quota and to start for 2024 festival. It's all a process to get the tops done from start to finish, so if you can help in any way to keep this tradition going it is greatly appreciated. Any questions please feel free to call us!
